**Re: *Agdal v. Danis*  
Civil No. 23-16873 (MCA) (MAH)**

Dear Judge Hammer:

As directed by the Court's August 27, 2024 discovery order, please be informed that Mr. Danis has been unable to locate his old mobile telephone. He is recovering from Covid and his mother, with whom I spoke, assisted in looking for the telephone but could not find it. Mr. Danis will continue to look for it.

Plaintiff's position with respect to this development is as follows: "Plaintiff does not have a response at this juncture other than to request that the Court require periodic updates on the status of Defendant's efforts to locate the phone until such time as Defendant either finds the phone or represents that it cannot be found."

Related/unrelated: Mr. Danis' initial deposition has been scheduled for October 8, 2024.

Respectfully yours,

  
Mark A. Berman
